

# We can supply

## Pipe Fitting

 <p>304 φ89 X57 A812450-00</p> <p>Stainless Steel Reducer, Used for Pipe Fittings Fast Connection</p>	 <p>304 φ89 X57 A812450-00</p> <p>Stainless Steel Pipe Reducer, Used for Fittings, Inner Diameter of 3/4 x 1/2 to 10 x 5 Inches</p>	 <p>Equal Tee, Used for Pipe Fittings Fast Connection, ASME, DIN and JIS Standards</p>
 <p>Stainless Steel Straight Tee, Used for Pipe Fittings, ANSI, ASME, DIN and JIS Standards</p>	 <p>Carbon Steel Elbow for Pipe Fittings, 18 to 914mm Outer Diameter, DIN and JIS Standards</p>	 <p>90 Degrees Elbow, Used for Pipe Fittings Fast Connection, Outer Diameter of 18 to 914mm</p>
 <p>45 Degrees Elbow, Used for Fast Connection Pipe Fittings, ASME, DIN and JIS Standards</p>	 <p>90 Degrees Elbow, Used for Pipe Fittings, Made of Stainless Steel, ASME, DIN and JIS Standards</p>	 <p>End-feed Copper Fittings, Available in Various Sizes</p>

Weldable Copper Pipe Fittings for Reducing Coupler with Tin Ring, Meets BS and US Standards

Solder Ring Copper Pipe Fittings, Available in Various Sizes

Red Tee Pipe Fittings, Made of Copper, Used for Water/Air Conditioning, Available in Various Sizes

Copper Bend Tap Connector, Available in Various Sizes

Red Coupling, Available in Various Sizes, Used for Air Conditioners

Copper Coupling, Available in Various Sizes, Fits for Water/Air Conditioners

End-feed Coupling, Available in Sizes of 8 and 159mm

End Cap Pipe Fittings with Water System Function, Available in Various Sizes

Top Open Pipe Fittings, Made of Copper, Used for Water Cooling, Available in Various Sizes

U-bend Pipe Fittings, Available in Various Sizes, Used for Water Cooling

End-feed Red Copper Pipe Fittings, Available in Various Sizes, EN1254 and AS Standards

Weldable Copper Pipe Fittings for Reducing Coupler with Tin Ring, Available in Various Sizes

Pipe Fittings, Material in Ductile Iron

Copper/Brass Screw Fittings with Nickel Plating, Available in Various Sizes

M2 Tee Male Brass Screw Fitting, Connects Multilayer Pipes, OEM Service is Welcome

M3 Double Female Press Fitting for Multilayer Pipes, Made of Hpb58-2 or CW617N Brass

M1 Brass Reducer Press Fitting, Connects Multilayer Pipes, OEM Service is Available

CW617N Brass Tee Press Fitting, Can Connect Multilayer Pipes, OEM Service is Welcome

M6 Tee Valve, Made of Hpb58-2 or CW617N Brass, Measures 3/4-inch

M6 Union Valve, Made of Hpb58-2 or CW617N Brass, Available in Various Sizes

Double Elbow Brass Press Fitting, OEM Service is Welcome, Suitable for Multilayer Pipes

Unequal Elbow Screw Fitting for Multilayer Pipes, Made of CW617N Brass, OEM Service is Welcome

Double-flange Transmission Joint with Wear-resistant and Anti-corrosion Feature

American Standard High-pressure Rubber Joint with Nylon Cord Fabric Key Frame

Male Straight Brass Fittings with Nickel Plating, Available in Six Various Sizes

Brass/Cross Fittings with Nickel Plating, Includes Four Items

Male Tee Brass Press Fitting for Multilayer Pipes, Made of Hpb58-2 or CW617N Brass

CW617N Brass M1 Union Press Fitting, OEM Service is Welcome, Connects Multilayer Pipes

M1 Female Tee Press Fitting, Made of Brass, Suitable for Multilayer Pipes

Way Out Brass Press Fitting, Can Connect Multilayer Pipes, Available in Various Sizes

M1 Wayout Brass Press Fitting for Multilayer Pipes, OEM Service is Available

M1 Union with Copper Brass Press Fitting for Multilayer Pipes, Available in Size of P16 to P50

Reduce Brass Screw Fitting, Available in Various Sizes, Connects Multilayer Pipes

M2 Female Straight Brass Screw Fitting for Multilayer Pipes, OEM Service is Welcome

Unequal Tee Brass Screw Fitting, Connect Multilayer Pipes, OEM Service is Welcome

Hot-forged Screw Fitting for Multilayer Pipes with Wall Plated, OEM Service is Welcome

Copper Elbow Fitting with Long Radius,  
Available in Various Sizes

Copper Elbow with 90° Bending Angle,  
Available in Various Sizes

Stainless Steel Pipe Fitting with Polished  
Surface, Available in Various Styles and Sizes

90° Copper Elbow Pipe Fitting, Fits for  
Plumbing/Air Conditioners, Available in  
Various Sizes

304L/316L Grade Elbow with ASTM A403  
and ANSI B 16.9 Specifications

Carbon and Alloy Steel Machine Fitting/Nut  
with 4.8 to 12.9 Grades, Measures M4 to M56

Hydraulic Pipe Fitting 1404 with SAE  
140130 Swivel/Male Connector

Hydraulic Pipe Fitting 1405 with SAE 140131  
Swivel/Female Connector

Hydraulic Pipe Fitting 1501 with SAE 140230  
Swivel/Male Elbow

Hydraulic Pipe Fitting 2406 with Female  
Connector Reducer

Hydraulic Pipe Fitting 2408 with JIC 370  
Male Plug SAE 070109

Hydraulic Pipe Fitting 2502 with SAE 070203  
JIC 370/Female Elbow

Hydraulic Pipe Fitting with SAE 071502 JIC 370 Long Male Elbow

M3 Female Tee Brass Press Fitting, Available in Size of T1/2 to T2, Suitable for Multilayer Pipes

Unequal Elbow Screw Fitting for Multilayer Pipes, Made of CW617N Brass, OEM Services are Welcome

Universal Flange Adapter, Suitable for Various Pipes

Stainless Steel Pipe Fitting with Polished Surface

Stainless Steel Pipe Fitting with Polished Surface

Brass Union Tee, Compression Fitting with 2,500psi and 1/8 to 1 1/2-inch Pipe End Connection

Stainless Steel Pipe Cap, Available in 1/2 to 48-inch Sizes

Stainless Steel Pipe Tee, Available in Various Materials

Stainless Steel Pipe Fitting, Packed in a Plywood Box

Stainless Steel Pipe Fitting with 304/304L, 316/316L, 321, 310S, and 347H Grades

Pipe Fittings, Available in Grade of 304L and 316L, ASTM A403 Standard

1/2 to 48-inch Stainless Steel Elbow/Pipe Fitting, S31803, Duplex2205, ANSI and GB Standards

Stainless Steel Cross/Pipe with Seamless and Butt Welded, Customized Specifications are Welcome

Stainless Steel Elbow/Pipe Fitting with Seamless and Welded, GB, ANSI, DIN and JIS Standards

Stainless Steel Reducer/Concentric with Seamless and Welded, Customized Specifications are Welcome

1/2 to 48-inch Stainless Steel/Pipe/Equal/Reducer Tee, Wall Thickness of SCH5S to SCH160S

1/2 to 48-inch Pipe/Steel Cap, Seamless Pipe Fitting Type

45 Degrees Stainless Steel Elbow with Seamless and Welded,

Concentric/Stainless Steel Reducer with Seamless and Welded

JS Flexible Conduit, Made of Galvanized Steel

JSH Plastic Coated Flexible Conduit, Made of Galvanized Steel

Carbon Steel Pipe Fitting with 45, 90, and 180 Degrees

Brass Press Fittings/Female Tee, Used for Multilayer Pipe, Available in Various Sizes

Brass Pipe Fittings/Equal Elbow for Multilayer Pipe, Nickel Surface Treatment Available

Brass Fittings/Reduced Tee for Multilayer Pipe, Available with Nickel Surface Treatment

Brass Fittings for PEX Pipes, Available in Various Sizes, Customer's Requirements are Welcome

Brass Pipe Fittings/Plug for Multilayer Pipe, with Nickel Surface Treatment

Brass Pipe Fittings for PEX Pipe, Available in Various Sizes

Brass Press Fittings/Equal Straight for Multilayer Pipe, Customized Drawings are Accepted

Brass Press Fittings/Reduced Straight for Multilayer Pipe, Available in Size of S20 x 16

Brass Press Fittings/Female Wallplated Elbow for Multilayer Pipe, Available in Various Sizes

Brass Press Fittings/Male Tee, Used for Multilayer Pipe, Available in Various Sizes

Brass Fittings/Male Elbow for Multilayer Pipe, OEM Orders are Welcome

Brass Fittings with Nickel Surface Treatment, Available in Various Sizes

Brass Fittings/Male Tee with Nickel Surface Treatment, Used for Multilayer Pipe

Brass Pipe Fittings/Female Tee for Multilayer Pipe, Customized Drawings are Accepted

Steel Flange with Working Pressure of 150, 300, 600, and 900lbs

M3 Double Female Press Fitting for Multilayer Pipes, Made of Hpb58-2 or CW617N Brass

CW617N Brass Tee Press Fitting, Connect Multilayer Pipes, OEM Services are Welcome

M1 Brass Reducer Press Fitting, Connects Multilayer Pipes, OEM Service is Available

GI Pipe Fitting, Available in Size of 20 and 25mm, Protects Conductors in Threaded Rigid Conduit

M2 Hot-forged Screw Fitting with Equal Straight, Connects Multilayer Pipes

M1 Brass Male Straight Press Fitting for Multilayer Pipes, OEM Service is Available

Water Tight Threaded Hub, Zinc die-cast, Available in Size of 1/2" to 4-inch

Intermediate/Rigid Metal Conduits with Steel Coupling and Connector End

Stainless Steel Butt Welding Fitting with 10S, 40S, 80S and 160S Thicknesses

Stainless Steel Pipe Fittings with 304/304L, 316/316L, 321, 310S and 347H Grades

Brass Pipe Fittings for PEX Pipes, Available in Various Sizes, Customized Requirements are Welcome

Female Wallplate Elbow/Brass Pipe Fittings for Pex Pipes, Available in Various Sizes

Brass Pipe Fittings/Wall Plate Elbow for PEX Pipes, Customized Requirements are Accepted

Brass Pipe Fittings/Manifold with Female Way, Suitable for PEX Pipes

Brass Press Fittings/Male Elbow for Multilayer Pipe, OEM Orders are Welcome

Brass Press Fittings/Equal Elbow for Multilayer Pipe, Various Sizes are

Threaded Sleeve, Made of Stainless Steel, RoHS Compliant

Stainless Steel Pipe Fittings with Inter Granular Corrosion and Tension Tests

1/2 to 72-inch Stainless Steel Tee with 45, 90, and 180 Degrees Angle

Hex Nipple with Hex Nut, Available in SS 316, Carbon Steel, Brass and Varied from 1/8 to 1-1/2

Steel Flange with 150, 300, 600, and 900lbs Working Pressure

Steel Flange with Working Pressure of 150, 300, 600, and 900lbs

Equal Union/Compression Fittings,  
Available in Various Sizes and Materials

Stainless Steel Elbow with 150psi Pressure

**ELBOW 90°**
