**Uses:**

- The WE-DP models are stronger and more powerful for maintaining more rugged landscape areas including heavy grasses, storm debris, sticks, vines and more around farms, properties, parklands and roadsides;
- Idea for thick grass, sticks, undergrowth and light vine mulching
- Vegetable & pasture topping;
- Roadside maintenance.

**Features:**

- The WE-DP Series are heavy duty flail mowers that are strong and reliable for heavier work loads;
- The low weight and power requirement of the flail mowers make it suitable for use with small to medium sized tractors;
- Fitted with a high power 50hp gear box and robust drive line to give hassle free mowing;
- Cutting height controlled by adjustable skids;
- High strength mulching blades;
- Safety flaps;
- Extra strong and designed with safety in mind;
- support leg for storage;
- solid hitch.
